PALLIATIVE APPROACH TO DEMENTIA CARE

Presented by Cheryl Lyon, Facilitator, Alzheimer's Australia Vic and Kate Cozens, Clinical Nurse Consultant, Loddon Mallee Regional Palliative Care Consultancy Service

Develop an appreciation of palliative care for people with dementia in order to achieve improved quality of life, symptom control and satisfaction with care for the person with dementia and their families.

Participants will gain knowledge in:

- What palliative care is and the palliative approach
- What constitutes quality of life and the importance of advance care planning
- Late stage dementia with the challenges encountered for the person living with advanced dementia
- End stage dementia and bereavement issues

**TUESDAY
